

Our club is a proud Dolly's Dream Community Sports Club Partner

We are committed as a club to support our players and members to prevent bullying and cyber bullying and promote the importance of being kind.

Through our partnership with Dolly's Dream, we will be recognised as a club that has a zero-tolerance bullying policy and we will work to address bullying issues on and off the field. We are proud that our club has made this commitment to ensure that our players and families can enjoy playing sport in a friendly, safe environment.
